

## How to create an eBay account:

1. **Visit the eBay homepage.** To get to the main eBay website, type <http://www.ebay.com> into your browser's navigation bar or search "eBay" on a search engine.

2. **Click on the "Register" link.** In the top left corner of the main eBay homepage, you should see text reading "Hi! Sign in or register". Click "register" to begin the account set-up process.

3. **Enter your contact information on the next screen.** On the registration page, you'll be asked to provide your first and last name, an email address, and a password for your account. Then, you must **Agree to the User Agreement and Privacy Policy** by clicking on "Submit".

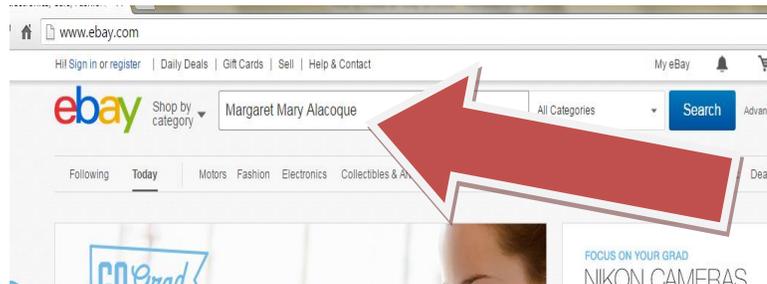

A screenshot of the eBay registration form. It contains several input fields: "First name", "Last name", "Email", "Create your password", and "Confirm password". Below the fields, there is a section for agreeing to terms, with a "Submit" button at the bottom. A large red arrow with a black outline points from the right side of the page towards the "Submit" button.

4. **Receive your pre-selected user ID.** After you submit your account information, you'll be taken to a "Success" screen. On this screen, you'll be notified that eBay has automatically chosen a user ID for you. This is the name that other eBayers will know you as - when you bid, buy, or sell, other users will see this name. Click "Continue" and you'll be taken back to the home page.

5. **Start using eBay!** Congratulations - your account is now activated and you can start using eBay. You will receive an email from eBay with an official "Welcome" message at the email account you provided.
- Note that you'll have to provide payment information to buy or sell on eBay. You will be prompted to enter this information if you try to buy, sell, or bid on anything on the site. **In order to bid on items in the St Margaret Mary School auction, you must set up a PayPal account.**

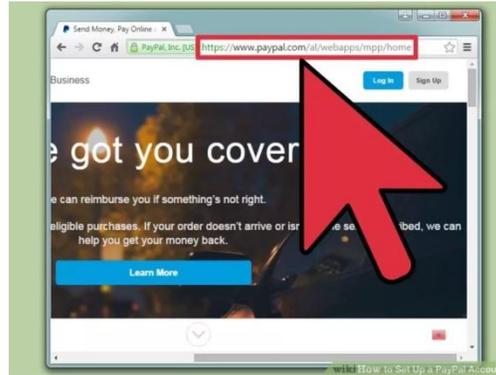

- To find our auction items, enter **Margaret Mary Alacoque** into the search bar and click **Search**.

# How to set up a PayPal account:

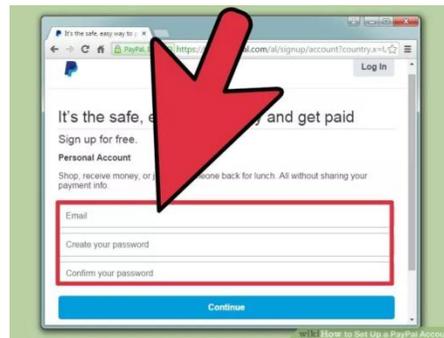

1. Visit the PayPal website.

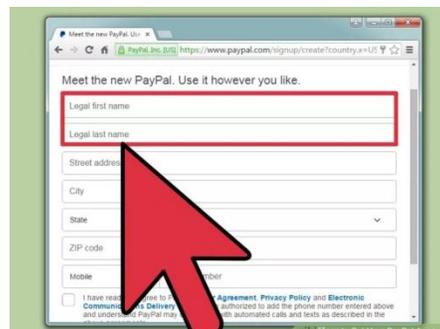

2. Click "Sign Up". This will begin the account creation process.

3. Enter your email address and create a password. Make sure that you enter a valid email address, as you'll need to use it to verify your account.

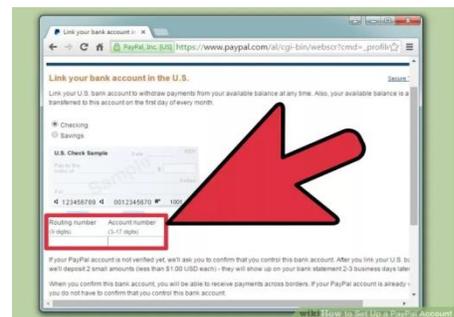

4. Fill out the form with your personal information. You'll need to enter your legal name, address, and phone number. All of this information is required in order to create your account.

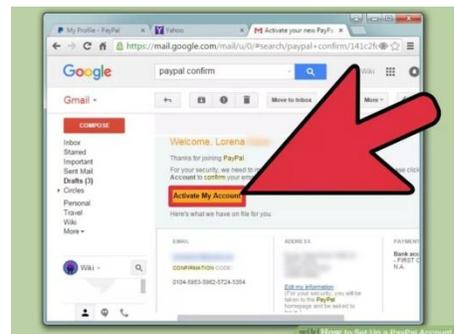

5. Your PayPal account can either be linked to a credit or debit card OR to your bank account.

- **To link to your credit or debit card:** Enter your credit or debit card information. After entering your personal information, you'll be prompted to enter your credit or debit card. You can enter this now or later, but you'll need to at some point if you want to verify your PayPal account. If you don't want to enter your card information now, click "I'd rather link my bank first."
- **To link to your bank account:** Enter your bank account information.

6. You must now verify your PayPal account by confirming your email address. You should have received an email when you created your account. Click the "Yes, this is my email" button in the email message to confirm your email address.
